Modified Rey-Osterreith Complex Figure

Interviewer Instructions

This test has two parts:

Part A – Copy: Participant copies the figure

Part B – Immediate Recall: Participant draws the figure from memory

- *Use a pen to discourage erasing.*
- *Laminated card with figure should be placed directly in front of the participant in correct orientation ('kite' on right side and 'cross' on left side).*
- *Participant may not move or turn the drawing but s/he may move or turn the response sheet.*
- *Do not allow participant to draw on the figure.*

Part A – Copy

- ***Place the Rey-O figure in front of the participant***

Examiner: “I would like you to make a copy of this drawing. Make sure that you look at the original carefully as you go along and try not to leave out any parts.”

- *Give participant pen.*
- ***Place the sheet entitled “Rey-O Copy” in front of the participant.***

Part B – Immediate Recall

- ***Remove the drawing from view.***
- ***Place the sheet entitled “Rey-O Immediate Recall” in front of the participant.***

Examiner: “That was good. Next, I’d like to see how much of that drawing you can reproduce from memory. Even if you think you won’t be able to remember very much, go ahead and try as best you can, even if it is just one single line that you remember.....Ready? Begin.”
