# Study of Osteoporotic Fractures (SOF)

## Study Collection Forms

### **Visit AA**

#### **Medical History**

Cardiovascular disease history

Form Type: Self-Administered Questionnaire

#### **LEGEND:**

**Raw form variable** names are located next to the question they represent and do not have a border around the variable name.

**Calculated variable** names are derived from other variables and have a border around the variable name. The calculated variables names are located in close proximity to the questions from which they were derived.

Some of the questions and measurements on these forms are not being released, and therefore no variable name is provided for them.

This next section asks you about some common health conditions and symptoms.
