Female History

General

Form Type: Self-Administered Questionnaire

LEGEND:

Raw form variable names are located next to the question they represent and do not have a border around the variable name.

Calculated variable names are derived from other variables and have a border around the variable name. The calculated variables names are located in close proximity to the questions from which they were derived.

Some of the questions and measurements on these forms are not being released, and therefore no variable name is provided for them.

FEMALE HISTORY

14. About how old were you when you had your first menstrual period?

V2PR1

_____ years old

Don't know

I never had menstrual periods → **Go to question 21**
