Form Type: Self-Administered Questionnaire

LEGEND:

Raw form variable names are located next to the question they represent and do not have a border around the variable name.

Calculated variable names are derived from other variables and have a border around the variable name. The calculated variables names are located in close proximity to the questions from which they were derived.

Some of the questions and measurements on these forms are not being released, and therefore no variable name is provided for them.

52. In addition to activities you did last week, are there any other physical activities or sports that you participated in during the past 12 months?

V2PACTYR

Yes

No

Don't know

PLEASE GO TO QUESTION 60

IF YES, write down these activities and answer the questions about how often "on average" you did each one in the past 12 months.

Clinic Use

Activity	How many weeks per year do you do it?	How many times per week do you do it?
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Clinic Use

SINCE YOU LAST VISITED OUR CLINIC (ABOUT 2 YEARS AGO):
