Walking

Form Type: Self-Administered Questionnaire

LEGEND:

Raw form variable names are located next to the question they represent and do not have a border around the variable name.

Calculated variable names are derived from other variables and have a border around the variable name. The calculated variables names are located in close proximity to the questions from which they were derived.

Some of the questions and measurements on these forms are not being released, and therefore no variable name is provided for them.

Walking

- 29.** On average, how many city blocks or their equivalent do you walk each day as part of your normal routine, such as when you go out shopping?
DO NOT INCLUDE WALKING FOR EXERCISE. (1 mile equals 12 city blocks)
