Quality of Life

Self-rated health

Form Type: Self-Administered Questionnaire

LEGEND:

Raw form variable names are located next to the question they represent and do not have a border around the variable name.

Calculated variable names are derived from other variables and have a border around the variable name. The calculated variables names are located in close proximity to the questions from which they were derived.

Some of the questions and measurements on these forms are not being released, and therefore no variable name is provided for them.

19. IN THE PAST 12 MONTHS, have you had any pain in or around either hip joint, including the buttocks, groin, or either side of the upper thigh, on most days for at least one month?

Yes

No

Don't know

Clinic use

Y
 N
 DK
