Demographics

Past Work and Occupation

Form Type: Self-Administered Questionnaire

LEGEND:

Raw form variable names are located next to the question they represent and do not have a border around the variable name.

Calculated variable names are derived from other variables and have a border around the variable name. The calculated variables names are located in close proximity to the questions from which they were derived.

Some of the questions and measurements on these forms are not being released, and therefore no variable name is provided for them.

Past Work and Occupation

The following questions ask about jobs that required physical activities.
(Include paid work and unpaid work in a family business or farm work.)
