# Study of Osteoporotic Fractures (SOF)

## Study Collection Forms

### **Visit 7**

#### **Medications**

##### Specific Medications

Form Type: Clinic Interview

#### **LEGEND:**

**Raw form variable** names are located next to the question they represent and do not have a border around the variable name.

**Calculated variable** names are derived from other variables and have a border around the variable name. The calculated variables names are located in close proximity to the questions from which they were derived.

Some of the questions and measurements on these forms are not being released, and therefore no variable name is provided for them.
